

Sprint #0 - Voyage Kickoff

nn JUNE 2026 / 5:00 PM GMT -5 (Chicago)

ATTENDEES

-

AGENDA

- Review the Sprint objectives
 - Reference: [Sprint 0 - Getting to know your team](#)
 - Goals: Spend time in your team channel to introduce yourself, learn more about your teammates, and determine your common goals and dislikes. Voyages are hard work and building trust within the team helps you reduce conflicts and work more productively together.
- Identify everyone's working hours & average time available each week
- Identify what weekly meetings are needed and their time each week
 - Sprint Planning - TBD
 - Sprint Review - TBD
 - Sprint Retrospective - TBD
 - Open topic session
- Post your status daily in team channel
 - How am I feeling today? Use an emoji of your choice
 - What have I completed?
 - What am I working on/working on next?
 - Are there any issues I need help with?
- All team decisions will be added to the Team Decision Log (add link)
- Decide on which tool you will use to create and maintain your project backlog
- Discuss what we'll be building from entries in the Project Ideas sheet (add link).

- Look at the Voyage Project requirements and specifications linked in your team channel
- Decide on a Technical Stack for the project
 - TBD
